Strike Does Not Affect Harriman Stocks

An attempt to assassinate chief of police Rafael Campa of Juarez by a Chinese occupant of an opium house, duropolice Refael Campa of Juarez by a rise which made considerable progress occupant of an opiam house, during a raid by the police in Ciudad Juarez Saturday night, resulted in the wounding of a French woman, who is said to be the proprietor of the house, and a Chinaman.

The opium house, located back of a restaurant near the plaza, was entered by the police and when chief Campa knocked on a door to enter, a shot was fired by one of the Chinamen inside.

The police who were assisting in the raid returned the fire and one shot wounded a Chinaman in the shoulder. The same bullet wounded the French woman in both thighs.

The French woman was lying on a bunk when she was wounded and near the proportions and the prices and the market for wheat.

The opium house, during the movement which began last week was of unfavorable sentitive mental effect. War news from abroad was unheeded and the Harriman stocks were not affected by the strike on those roads. The pressure against the market was not relieved in the second hour and prices sagged steadly. United States Steel, St. Paul, Beading, Southern Pacific, Amalgamated Copper and Atchison sold ½ to be close and other active issues smaller fractions.

Large falling off in the September of copper had an unfavorable influence on the copper group.

Bond transactions contracted to able to 47% were firm.

The list moved within the narrowest limits during the noon hour, with prices at about the low level. The close was steady, quotations recovering to Saturday's closing.

WINNING WANTS

The Explicit Want Ads are the ones that bring the most repliesthey are the ones that are read with the greatest degree of satisfaction.

When you write a Want, tell all the important facts. If you are advertising for help, tell just what is to be expected of the applicants. As a matter of fairness, those who seek employment should know all the principal facts regarding a position, so that only those who are expable of filling such a place will be expected to apply.

In locating a position through the Want Columns, state your qualifications plainly and concise ly, tell of your experience and enumerate enough of the facts, so that those who are seeking workers will have full enough information, if they are interested, to communicate with you.

The explicit Wants tell clearly, concisely, in a minimum number of words, just the thought that Is to be expressed.
